### Gokhale Memorial Girls College

In the second half, after lunch break, the faculty members of the respective participating colleges were felicitated.

Further, Inspector K K Pandey- 2nd Battalion National Disaster Management Force, presented a lecture about the National Disaster Management Force and its working. Later the NDRF personnel demonstrated how to do the CPR process, after this they explained how to dress on a dress injury and how to make a temporary stretcher.

Later, under 'Project Shakti', headed by Subir Bagchi, there were 5 trainers who taught us by demonstration of how to do self-defence in a situation such as if someone attacks from back or front or tries to grab from neck or attacks with a stick.

And the event was concluded with the felicitation of the NSS volunteers of different participation colleges.

*Volunteers Of NSS Unit-1 Of Gokhale Memorial Girls College and the faculty member attending the NDRF demonstration and Project Shakti .*
