Acknowledgement

This extremely interesting and vast report "Durga Puja: Festival or an Industry" would not have been possible to conceptualize without the encouragement of our Principal Dr. Atashi Karpha. It would have been impossible to execute the project the successfully without the approval of the Central Research Committee of Gokhale Memorial Girls' College, Kolkata.

Finally, I would like to extend our gratitude to the students of the department of Advertising, Sales Promotion and Sales Management (Class of 2017) for their unparalleled enthusiasm and effort. The students from the departments of English, Philosophy, Psychology, Communicative English, and Clinical Nutrition and Dietetics for their eager participation in conducting the survey.

I would like to specially mention the contribution of Smt. Aditi Chatterjee, Guest Faculty, Department of Advertising, Sales Promotion and Sales Management for giving the final shape to the findings of the project.

I would thank Ms. Debolina Sen, a research scholar for her advice on research methodology.

I would also like to deeply acknowledge the participation of all the respondents who have been a part of this project and provided us with their valuable inputs by sparing time from their busy schedules and moments of merriment.
