

Boshonto Eshe Geche

By GMGC TMCP UNIT

A celebration of the Boshonto Utsab was conducted in Gokhale Memorial Girls' College, Kolkata by the GMGC TMCP Unit. The event celebrated on the 18th of March 2023, was called 'Boshonto Eshe Geche'. It was an attempt by the students to bring the hues of the festival of colors, 'Doljatra' and 'Holi' within the premises of the college.

The event of the day-long program consisted of the celebration of the season of joy, rebirth and colors through cultural performances in the presence of our respected professors and our friends. The event was performed in Lecture Theatre 2 from 2 p.m. onwards and consisted of a participation of over 30 students of Gokhale Memorial Girls' College. The

different performances started with a group presentation of a Rabindra Sangeet staged by 6 girls, breathing in the spirit of mirth and celebration into the hearts of the audience. The very next presentation was an enactment of Lord Krishna and Radha Rani through a dance leaving a surreal serenity in the atmosphere. This was followed by a few more songs,

dances and a recital. Then our respected Principal Madam Dr. Atashi Karpha was invited for felicitation and on our earnest request she uplifted our spirits with her encouraging speech, congratulated us on our successful execution of the event and also reminded us of our aim and the intention behind attending college and receiving education.

This was followed by a readers' theater (Shruti Natak) named Jamdani bringing out a story of a mother and a daughter who deal with the societal impressions of their drastically different worlds. A duet song about the festival of colors and the life of a woman in the languages native to rajasthan and assam was presented next. The celebration

ended with a Bihu dance performed by a group of four girls dressed in the white sarees with red borders giving the utmost visual pleasures to the audience.

It would not have been possible without the contribution and support from our respected principal. The help and encouragement that we got from our professors, and our principal was extremely necessary and played an important role in bringing our plans to life. A special note of gratitude to the staff for helping us with the arrangements, setting up of the speakers and microphones and cleaning the room before and after the event.
