7. Details about the resource person/brief resume/introduction- Details about the place visited-Metcalfe Hall is a heritage building situated in Kolkata, India, at the junction of Strand Road and Hare Street in the heart of the city's business district. The architecture is reflective of the British imperial architecture at the middle of the nineteenth century, and visually similar to ancient Greek temples.

8. Other necessary information (if any) – The students visited to Metcalfe Hall where they came across various heritages of the state and country. They also came across various old advertisements and posters of movie etc. which were very new and interesting to them. Since they are studying the same subject this visit was enriching for them. They gathered ideas and information on the same and enjoyed the visit together with friends & faculty.
