

CONSTITUTION DAY 2025

On 26th November 1949, the Constitution of India was adopted officially by the Constituent Assembly of India. Now, we celebrate the Constitution Day of India every year to commemorate the adoption and to honour and reaffirm our commitment to constitutional values like justice, liberty, equality, and fraternity, and highlight its importance.

We, the students of Gokhale Memorial Girls' College, Department of Political Science, along with our teachers celebrated and honoured this day by gathering together and honouring this day through launching a survey at our institution about 'Awareness On The Indian Constitution'. This campaign was launched to see how much the people, especially the youth, are aware about our Constitution and its values. After that, our department (students and teachers) went to ICCR for a seminar on the evolution and the resilience of the Indian Constitution organised by the Purvodaya Lit Fest 2025. This day was an educational and inspiring experience for the department.
