Parameters of excellence: India's Top 10 Colleges

To provide Plus Two students a comprehensive profile of India's most admired arts, science and commerce colleges, the Top 100 national league table is supplemented with Top 10 national rankings on the basis of parameters of excellence.

To compile the rankings league table of the country's Top 100 Colleges, C fore field researchers interviewed 946 faculty members and 824 final year students in six metro cities of India (Delhi, Mumbai, Kolkata, Chennai, Hyderabad and Bangalore), asking them to rate colleges other than their own on six parameters, viz, competence of faculty, faculty welfare and development, curriculum and pedagogy, placement record, infrastructure and leadership/governance quality. Equal weightage (100) was given to each except the critical faculty competence parameter which was weighted at 200. The ratings given by respondents under each parameter were totaled to arrive at an aggregate score according to which India's Top 100 colleges are ranked.

The national rankings of Top 10 colleges under all six parameters enumerated above, are set out below.

Rank		Competence of faculty (200)	Faculty welfare & development (100)	Curriculum & pedagogy (100)	Placements (100)	Infrastructure and facilities (100)	Leadership/ governance quality (100)	TOTAL SCORE (700)	NIRF 2018* Rank
