

EDUCATIONAL TOUR (MUSEUM VISIT)

On 22nd November 2025, as part of our DSCC 9 paper, our professor Smt. Sharmistha Mondal Chowdhury took us on an educational visit to Netaji Bhawan. Since we are studying the socialist ideas of Netaji Subhas Chandra Bose in this paper, the visit was organised to help us gain deeper insight into his thoughts and contributions. We saw his letters, documents, and personal belongings, which allowed us to feel his charisma, leadership, and dedication to India's freedom struggle. The visit was informative and inspiring for all of us.
