

**Activity Report of Internship on
"Applied Household Chemical Production, Marketing & Entrepreneurship"**

Research Cell of Gokhale Memorial Girls' College conducted a Summer Internship programme on "Applied Household Chemical Production, Marketing & Entrepreneurship" from 19th May to 8th June 2026 as a part of CCF curriculum. The Internship Programme was designed to provide undergraduate students with practical knowledge and hands-on experience in the formulation, production, quality assessment, and marketing of commonly used household chemical products. The programme bridges the gap between theoretical concepts learned in the classroom and their real-world industrial applications by introducing students to the preparation of products such as liquid handwash, hand sanitizer, phenyl, and soap. In addition to technical training, the internship emphasizes entrepreneurial skills, including product branding, packaging, cost analysis, marketing strategies, and business planning. Through this multidisciplinary approach, participants gain valuable insights into small-scale chemical manufacturing and develop the confidence and skills necessary for self-employment, innovation, and entrepreneurship in the household chemical sector.

Duration: 15 Days

List of students participated:

Sl. No.	Name	Semester	Department	College Roll No.
1	Sayantika Chatterjee	SEM -IV	Chemistry	24/BSCH/001
2	Reshmi Patra	SEM -IV	Chemistry	24/BSCH/007
3	Sunayanika Malakar	SEM -IV	Chemistry	24/BSCH/004
4	Praity Nandy	SEM -IV	Chemistry	24/BSCH/005
5	Soumi Ghosh	SEM -II	Chemistry	25/BSCH/030
6	Prachi Saha	SEM -II	Chemistry	25/BSCH/027
7	Sneha Das	SEM -IV	Chemistry	24/BSCH/003
8	Mayurakhee Saha	SEM -II	Mathematics	25/BSCH/044
9	Swagata Chakraborty	SEM -II	Mathematics	25/BSCH/041
10	Tanisha Bachar	SEM -II	Chemistry	25/BSCH/029

CERTIFICATE OF COMPLETION
Internship Programme

This is to certify that Ms. Sayantika Chatterjee

of Semester IV / Department of Chemistry C.U. Roll No. 243013-11-0001 has successfully completed the Internship Programme on **"Applied Household Chemical Production, Marketing & Entrepreneurship"** organized by the Research Cell of Gokhale Memorial Girls' College from _____ to _____

The student actively participated in practical training, product formulation, evaluation, and entrepreneurship-oriented activities related to the preparation of household chemical products including phenyl, bar soap, liquid hand-wash, and hand-sanitizer. We appreciate her sincere participation and wish her success in all future academic and professional endeavors.
