

National Library Visit Program

On **08/07/2025** Gokhale Memorial Girls' College students visited the National Library, Kolkata, W.B. Students, College Librarian and library staff were the part of this programme. National Library officer staff guided us different types of user services and facilities. The main attractive part of the National Library, i.e. Manuscript section and archive section. We also visited that treasure part of the library, and enriched our self. Really it was a very helpful visit program for our students.
